Camera Corp. v. *National Labor Relations Board*, 340 U.S. 474, 490-91.

It is therefore respectfully submitted that, as stated in the well considered opinion of the District Court, the rules and regulations prescribed by the Commission are reasonable. The decision and order of the Commission are not arbitrary nor unlawful; and the clarity and applicability of the rules and regulations having been established, have substantial support of record. Since there is, therefore, no substantial questions presented for the determination of this Court, the judgment of the District Court should be affirmed.
